

I Know a Word...

Main purpose - To talk about words that rhyme and to produce rhyming words.

Throughout the course of daily activities, encourage the children to think about and play with rhyming words. The adult begins with the prompt *I know a word that rhymes with cat, you need to put one on your head and the word is...hat*. This can be used for all sorts of situations and also with some children's names: *I know a girl who is holding a dolly, she is in the book corner and her name is...Molly*. As children become familiar with rhyme, they will supply the missing word themselves.
